

# Dental Quality Initiatives Program

MetLife Dental Continuing Education  
Quality Resource Guides available online at no charge  
[www.MetDental.com](http://www.MetDental.com) in the Continuing Education section

## Anesthesia, Oral Sedation and Pain Control

### **Alternatives to Opioid Analgesics in Dental Practice 4<sup>th</sup> Edition**

Arthur H. Jeske, DMD PhD – University of Texas Houston

### **Contemporary Local Anesthetics in Dental Practice 2<sup>nd</sup> Edition**

Stanley F. Malamed, DDS - Emeritus Professor, Herman Ostrow School of Dentistry

## Assessment, Diagnosis and Treatment Planning

### **An Introduction to Contemporary Treatment Planning**

Ahmed Sabbab, DDS PhD – UT Health Science Center at San Antonio

### **Medical Health History in Dental Practice 6<sup>th</sup> Edition**

Bernadette Alvear Fa, DDS – University of the Pacific

### **Performance of an Oral and Head and Neck Examination 7<sup>th</sup> Edition**

James J. Sciubba, DMD PhD – Johns Hopkins School of Medicine

### **Screening and Monitoring Blood Pressure in Dental Practice 3<sup>rd</sup> Edition**

Vidya Sankar, DMD MHS – Tufts University School of Dental Medicine

## Cariology and Caries Management

### **Caries Risk Assessment and Management for Adults in a General Practice 2<sup>nd</sup> Edition**

Andrea Ferreira Zandona, DDS MSD PhD and Maria DiLuigi, RDH MSED – Tufts University School of Dental Medicine

### **Clinical Decision-Making for Caries Management in Children 7<sup>th</sup> Edition**

Norman Tinanoff, DDS – University of Maryland

### **Managing Non-Carious Cervical Lesions**

Asra Sabir Hussain, BDS – University of Michigan

### **The Role of Fluoride Therapy for Adults**

Bennett Amaechi, BDS MS PHD MFDS RCPS (GLASG) FADI – UT Health San Antonio School of Dentistry

## Dental Materials/Biomaterials

### **A Primer for Bioactive Dental Materials 1<sup>st</sup> Edition**

Jack L. Ferracane, PhD – Oregon Health & Science University

### **Dental Adhesives 6<sup>th</sup> Edition**

Jorge Perdigão, DMD MS PhD – University of Minnesota

## Emerging Technologies in Dentistry

### **Lasers in Dentistry**

Jaisri R. Thoppy, DDS MBA MS DABOM MSHA – Specialty Practice, Winter Park, Florida

### **Overview of Digital Restorative and Prosthetic Dentistry**

Robert Taft, DDS – Uniformed Services University, Bethesda, Maryland

## Esthetic Dentistry

### **Effectiveness and Safety of Tooth Whitening Agents**

Rachel Kearney BSDH, MS - The Ohio State University College of Dentistry

## Endodontics

### **A Guide to Contemporary Endodontic Technology 6<sup>th</sup> Edition**

Ashraf Fouad, DDS MS – University of Alabama School of Dentistry

### **Diagnosing and Managing the Cracked Tooth Part One: Crown-Originating Fractures 3<sup>rd</sup> Edition**

Leif K. Bakland, DDS and Tory Silvestrin, DDS - Loma Linda University School of Dentistry

### **Diagnosing and Managing the Cracked Tooth Part Two: Vertical Root Fractures 3<sup>rd</sup> Edition**

Leif K. Bakland, DDS and Tory Silvestrin, DDS - Loma Linda University School of Dentistry

### **Managing Complications During Root Canal Procedures 4<sup>th</sup> Edition**

James L. Gutmann, DDS - The Texas A&M University System Health Science Center

### **Managing Endodontic Treatment Failures 2<sup>nd</sup> Edition**

Renato M. Silva, DDS, MS, PhD and Ariadne M. Letra, DDS, MS, PhD – University of Texas Health Science Center at Houston

### **Tooth Root Resorption 3<sup>rd</sup> Edition**

Karl Keiser, DDS MS – UT Health San Antonio School of Dentistry

### **Traumatic Injuries and Dislocation of Teeth 2<sup>nd</sup> Edition**

Renato Silva, DDS MS PhD, Ariadne Letra DDS MS PhD, et al. – UT Health Houston and University of Pittsburgh

## General Dentistry

### **Oral Complications of Cannabis Use 2<sup>nd</sup> Edition**

Ira B. Lamster, DDS MMSc – Stony Brook University School of Dental Medicine

### **Tobacco Cessation in the Dental Office 6<sup>th</sup> Edition**

Brian C. Muzyka, DMD MS MBA – East Carolina University

## Geriatric Dentistry

### **Geriatric Dentistry: A Total Patient Approach 4<sup>th</sup> Edition**

Tam T. Van, DDS – UT Health San Antonio School of Dentistry

### **Preventative Oral Care for the Elderly Dental Patient 2<sup>nd</sup> Edition**

Rachel Kearney BSDH, MS - The Ohio State University College of Dentistry

## Implantology

### **Immediate Dental Implants 4<sup>th</sup> Edition**

Mostafa Shehabeldin, DDS MS PhD – UT Health San Antonio School of Dentistry

### **Implant Placement by the General Dentist 5<sup>th</sup> Edition**

J. Bruce Bavitz, DMD – University of Nebraska Medical Center, College of Dentistry

### **Maintenance for Patients with Implant-Supported Dental Restorations 2<sup>nd</sup> Edition**

Patricia A. Miguez, DDS MS PhD and Ricardo Walter, DDS MS - University of North Carolina - Chapel Hill

### **Roles of the Hygienist and Dental Assistant in Dental Implant Maintenance**

Rachel C. Kearney BSDH MS - College of Dentistry The Ohio State University

## Infection Control and Dental Waste Management

### **Infection Control and OSHA Update Part One 6<sup>th</sup> Edition**

John A. Molinari, PhD – University of Detroit Mercy

### **Infection Control and OSHA Update Part Two 6<sup>th</sup> Edition**

John A. Molinari, PhD – University of Detroit Mercy

### **Infection Prevention in Dentistry: The Roles of the Infection Control Coordinator**

Marie T. Fluent, DDS CDIPC - Educational Consultant – Organization for Safety, Asepsis and Prevention

## Medical Emergencies in the Office

### **Medical Emergencies: Preparation & Management 6<sup>th</sup> Edition**

Stanley F. Malamed, DDS – University of Southern California

## Oral Pathology

### **Bisphosphonate-Related Jaw Necrosis: Part 1 – Background, Incidence & Risk Factors 6<sup>th</sup> Edition**

James J. Sciubba, DMD PhD – The Johns Hopkins School of Medicine

### **Bisphosphonate-Related Jaw Necrosis: Part 2 – Clinical Management 6<sup>th</sup> Edition**

James J. Sciubba, DMD PhD – The Johns Hopkins School of Medicine

### **HPV and Oral Cancer 3<sup>rd</sup> Edition**

Spencer Redding, DDS Med – UT Health San Antonio School of Dentistry

### **Management of the Oral Complications Associated with Cancer Therapy 4<sup>th</sup> Edition**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

### **Review of Common Oral Lesions and Conditions Encountered in Dental Practice**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

### **Techniques for Early Cancer Detection 2<sup>nd</sup> Edition**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

### **Managing Dental Patients with Xerostomia and Hyposalivation**

Craig S. Miller, DMD MS - College of Dentistry University of Kentucky

## **Oral and Maxillofacial Surgery**

### **Alveolar Ridge Preservation Following Tooth Extraction 4<sup>th</sup> Edition**

Lea El Hachem, DDS MS – UT Health San Antonio School of Dentistry

## **Oral Radiology, Imaging and Photography**

### **Clinical Considerations for Cone Beam Imaging in Dentistry 3<sup>rd</sup> Edition**

William Scarfe, BDS FRACDS MS FACD DIPL ABOMR – University of Louisville

### **Digital Radiography 7<sup>th</sup> Edition**

André Mol, DDS MS PhD Dipl ABOMR – University of North Carolina - Chapel Hill

### **Intraoral Bitewing Radiographic Technique 8<sup>th</sup> Edition**

Sally M. Mauriello, RDH BS EdD and Dan Shugars, DDS PhD MPH –  
University of North Carolina - Chapel Hill

### **Radiographic Quality Assurance for Film Imaging Systems 8<sup>th</sup> Edition**

Sally M. Mauriello, RDH BS EdD and Dan Shugars, DDS PhD MPH –  
University of North Carolina - Chapel Hill

## **Orthodontics**

### **Aligner-Based and “Mail-in” Orthodontic Therapy 1<sup>st</sup> Edition**

Maria Karakousoglou, BDS MD – UTHealth – San Antonio

## **Pediatric Dentistry**

### **Clinical Decision-Making for Caries Management in Children 7<sup>th</sup> Edition**

Norman Tinanoff, DDS – University of Maryland

### **Early Childhood Oral Health in the General Dentistry Office 4<sup>th</sup> Edition**

Rocio Quinonez, DMD MS MPH and Gentry Byrd, DDS - University of North Carolina at Chapel Hill

### **Making Pediatric Dentistry Part of General Practice 7<sup>th</sup> Edition**

Norman Tinanoff, DDS – University of Maryland

### **Oral Health Care for the Adolescent Patient**

Glenn Canares, DDS MSD – University of Maryland School of Dentistry

## **Periodontics**

### **Risk Assessment and Classification for Periodontal Diseases in General Dental Practice**

Lea Hachem, DDS MS FICD – UT Health San Antonio school of Dentistry

### **Non-Surgical Periodontal Treatment 6<sup>th</sup> Edition**

Thomas Oates, DMD PhD – UT Health San Antonio School of Dentistry

### **Pre-Prosthetic Periodontal Surgery**

Maria L. Geisinger, DDS MS - University of Alabama at Birmingham

## **Pharmacology and Therapeutics**

### **Antibiotic Use in Dentistry 4<sup>th</sup> Edition**

Arthur H. Jeske, DMD PhD – University of Texas Houston

### **Contemporary Approaches to Antibiotic Prophylaxis in Dental Practice 3<sup>rd</sup> Edition**

Thomas P. Sollecito, DMD FDS RCSEd and Eric T. Stoopler, DMD FDSRCS FDSRCPS  
University of Pennsylvania

## **Practice Management and Risk Management**

### **Avoiding Errors in Dental Practice**

Muhammad Walji, PhD – UT Health Houston and Elsbeth Kalenderian, DDS MPH PhD – University of California at San Francisco School of Dentistry and Harvard School of Dental Medicine

### **Caring for LGBTQ+ Individuals in Dental Practice**

Herminio L. Perez, DMD MBA EdD - Rutgers School of Dental Medicine; Harold Jennings, RDH MA - Plaza College Queens NY; Rosa Chaviano Moran, DMD FICD – Rutgers School of Dental Medicine

### **Dental Record Keeping 5<sup>th</sup> Edition**

Michael A. Huber, DDS and Gary Guest, DDS - UT Health San Antonio School of Dentistry

### **Diversity, Equity and Inclusion (DEI) - A Primer for the Dental Office**

Kenneth Sadler, DDS MPA MAGD FACD FICD, Brenda Latham-Sadler, MD and Raleigh Sadler, BA – Practicing dentist and Wake Forest University School of Medicine

### **Ergonomics in the Dental Office 2<sup>nd</sup> Edition**

Kimatha Oxford Grice, OTD OTR CHT – UT Health San Antonio School of Dentistry

### **Guidelines for Consultation With and/or Referral to a Physician 2<sup>nd</sup> Edition**

Rajesh V. Lalla, DDS PhD – University of Connecticut

### **HIPAA and the Dental Practice**

Rachel Kearney, BSDH MS - The Ohio State University College of Dentistry

### **Informed Consent in the Dental Setting 1<sup>st</sup> Edition**

Steven E. Haas, DMD JD MBA – University of Nebraska

### **Management of Malpractice Risk in Dental Practice 3<sup>rd</sup> Edition**

Mert N. Aksu, DDS JD MHSA Cert DPH – University of Detroit Mercy School of Dentistry

### **Medical Health History in Dental Practice 7<sup>th</sup> Edition**

Bernadette Alvear Fa, DDS – University of the Pacific

### **Value Considerations in Oral Health Care 2<sup>nd</sup> Edition**

James J. Crall, DDS MS ScD – UCLA School of Dentistry

## **Restorative Dentistry**

### **Managing the Patient with a Worn Dentition 4<sup>th</sup> Edition**

N. Blaine Cook, DDS MSD – University of Indiana  
Paul Hansen, DDS – University of Nebraska

**The Posterior Composites 7<sup>th</sup> Edition**

André V. Ritter, DDS MS – New York University College of Dentistry

**Special Care Dentistry**

**Dental Care for Patients with Bleeding Disorders 4<sup>th</sup> Edition**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

**Dental Considerations for Patients with a Prosthetic Joint Replacement 1<sup>st</sup> Edition**

J. Bruce Bavitz, DMD – University of Nebraska Medical Center, College of Dentistry

**Dental Care for Pregnant and Nursing Patients 4<sup>th</sup> Edition**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

**Dental Management of the Patient with Systemic Sclerosis 3<sup>rd</sup> Edition**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

**Discussing Bruxism and its Treatment with the Dental Patient 2<sup>nd</sup> Edition**

Rachel Kearney, BSDH MS - The Ohio State University College of Dentistry

**Introduction to Patients with Special Healthcare Needs 2<sup>nd</sup> Edition**

Allen Wong, DDS EDD and Debra Woo, DDS MA - Arthur A. Dugoni School of Dentistry

**Management of Patients with Cardiovascular Conditions Encountered in Dental Practice 5<sup>th</sup> Edition**

Frank C. Nichols, DDS PhD – University of Connecticut

**Management of Patients with Some Common Medical Conditions Encountered in Dental Practice 5<sup>th</sup> Edition**

Frank C. Nichols, DDS PhD – University of Connecticut

**Management of the Oral Complications Associated with Cancer Therapy**

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

**Management of the Patient with Dentin Hypersensitivity 2<sup>nd</sup> Edition**

Amal Nouredin, BDS MS MSD PhD - Texas A&M College of Dentistry

**Management of the Substance Use Disorder Dental Patient 3<sup>rd</sup> Edition**

MyHanh Phan-Rinne DDS and Timothy M. Durham DDS MPA  
University of Nebraska Medical Center College of Dentistry

**Oral Complications of Cannabis Use**

Ira B. Lamster, DDS MMSc – Stony Brook University School of Dental Medicine

**The Dental Patient with Dementia Part 1**

June Sadowsky, DDS MPH and Ben Warner, MS DDS MD – UT Health Houston School of Dentistry

**The Dental Patient with Dementia Part 2**

June Sadowsky, DDS MPH and Ben Warner, MS DDS MD – UT Health Houston School of Dentistry

**Women's Health: Issues for Consideration in Dental Practice 3<sup>rd</sup> Edition**

Marsha A. Pyle, DDS MEd and Cynthia Gadbury-Amyot, MSDH EdD – University of Missouri-Kansas City

**Managing Dental Patients with Xerostomia and Hyposalivation**

Craig S. Miller, DMD MS - College of Dentistry University of Kentucky

**TMJ/TMD and MPD**

**Assessing Orofacial Pain 6<sup>th</sup> Edition**

Maureen Lang, DDS – Private practice, San Antonio, Texas

**Evaluation and Treatment of TMD Patients 6<sup>th</sup> Edition**

Maureen Lang, DDS – Private practice, San Antonio, Texas

**Intraoral Appliance Therapy in the Management of TMD 1<sup>st</sup> Edition**

Gary Klasser, DMD Cert. Orofacial Pain – Louisiana State University School of Dentistry

**Temporomandibular Disorders: Etiology and Management Considerations 4<sup>th</sup> Edition**

Gary Klasser, DMD Cert. Orofacial Pain – Louisiana State University School of Dentistry
