Anesthesia, Oral Sedation and Pain Control

Alternatives to Opioid Analgesics in Dental Practice 4th Edition

Arthur H. Jeske, DMD PhD – University of Texas Houston

Contemporary Local Anesthetics in Dental Practice 2nd Edition

Stanley F. Malamed, DDS - Emeritus Professor, Herman Ostrow School of Dentistry

Assessment, Diagnosis and Treatment Planning

An Introduction to Contemporary Treatment Planning

Ahmed Sabbab, DDS PhD – UT Health Science Center at San Antonio

Medical Health History in Dental Practice 6th Edition

Bernadette Alvear Fa, DDS – University of the Pacific

Performance of an Oral and Head and Neck Examination 7th Edition

James J. Sciubba, DMD PhD – Johns Hopkins School of Medicine

Screening and Monitoring Blood Pressure in Dental Practice 3rd Edition

Vidya Sankar, DMD MHS – Tufts University School of Dental Medicine

Cariology and Caries Management

Caries Risk Assessment and Management for Adults in a General Practice 2nd Edition

Andrea Ferreira Zandona, DDS MSD PhD and Maria DiLuigi, RDH MSED – Tufts University School of Dental Medicine

Clinical Decision-Making for Caries Management in Children 7th Edition

Norman Tinanoff, DDS – University of Maryland

Managing Non-Carious Cervical Lesions

Asra Sabir Hussain, BDS – University of Michigan

The Role of Fluoride Therapy for Adults

Bennett Amaechi, BDS MS PHD MFDS RCPS (GLASG) FADI – UT Health San Antonio School of Dentistry

Dental Materials/Biomaterials

A Primer for Bioactive Dental Materials 1st Edition

Jack L. Ferracane, PhD – Oregon Health & Science University

Dental Adhesives 6th Edition

Jorge Perdigão, DMD MS PhD – University of Minnesota

Esthetic Dentistry

Effectiveness and Safety of Tooth Whitening Agents

Rachel Kearney BSDH, MS - The Ohio State University College of Dentistry

Endodontics

A Guide to Contemporary Endodontic Technology 6th Edition

Ashraf Fouad, DDS MS – University of Alabama School of Dentistry

Diagnosing and Managing the Cracked Tooth Part One: Crown-Originating Fractures 3rd Edition

Leif K. Bakland, DDS and Tory Silvestrin, DDS - Loma Linda University School of Dentistry

Diagnosing and Managing the Cracked Tooth Part Two: Vertical Root Fractures 3rd Edition

Leif K. Bakland, DDS and Tory Silvestrin, DDS - Loma Linda University School of Dentistry

Managing Complications During Root Canal Procedures 4th Edition

James L. Gutmann, DDS - The Texas A&M University System Health Science Center

Managing Endodontic Treatment Failures 2nd Edition

Renato M. Silva, DDS, MS, PhD and Ariadne M. Letra, DDS, MS, PhD – University of Texas Health Science Center at Houston

Tooth Root Resorption 3rd Edition

Karl Keiser, DDS MS – UT Health San Antonio School of Dentistry

Traumatic Injuries and Dislocation of Teeth

Renato Silva, DDS MS PhD, Ariadne Letra DDS MS PhD, et al – University of Texas Health Science Center at Houston

General Dentistry

Oral Complications of Cannabis Use 2nd Edition

Ira B. Lamster, DDS MMSc – Stony Brook University School of Dental Medicine

Tobacco Cessation in the Dental Office 6th Edition

Brian C. Muzyka, DMD MS MBA – East Carolina University

Geriatric Dentistry

Geriatric Dentistry: A Total Patient Approach 4th Edition

Tam T. Van, DDS – UT Health San Antonio School of Dentistry

Preventative Oral Care for the Elderly Dental Patient 2nd Edition

Rachel Kearney BSDH, MS - The Ohio State University College of Dentistry

Implantology

Immediate Dental Implants 3rd Edition

Guy Huynh-Ba, DDS MS – UT Health San Antonio School of Dentistry

Implant Placement by the General Dentist 5th Edition

J. Bruce Bavitz, DMD – University of Nebraska Medical Center, College of Dentistry

Maintenance for Patients with Implant-Supported Dental Restorations 2nd Edition

Patricia A. Miguez, DDS MS PhD and Ricardo Walter, DDS MS - University of North Carolina - Chapel Hill

Roles of the Hygienist and Dental Assistant in Dental Implant Maintenance

Rachel C. Kearney BSDH MS - College of Dentistry The Ohio State University

Infection Control and Dental Waste Management

Aerosols: Properties, Transmission and Precautions in Dental Settings

John A. Molinari, PhD – University of Detroit Mercy

Infection Control and OSHA Update Part One 5th Edition

John A. Molinari, PhD – University of Detroit Mercy

Infection Control and OSHA Update Part Two 5th Edition

John A. Molinari, PhD – University of Detroit Mercy

Infection Prevention in Dentistry: The Roles of the Infection Control Coordinator

Marie T. Fluent, DDS CDIPC - Educational Consultant – Organization for Safety, Asepsis and Prevention

Medical Emergencies in the Office

Medical Emergencies: Preparation & Management 6th Edition

Stanley F. Malamed, DDS – University of Southern California

Oral Pathology

Bisphosphonate-Related Jaw Necrosis: Part 1 – Background, Incidence & Risk Factors 6th Edition

James J. Sciubba, DMD PhD – The Johns Hopkins School of Medicine

Bisphosphonate-Related Jaw Necrosis: Part 2 – Clinical Management 6th Edition

James J. Sciubba, DMD PhD – The Johns Hopkins School of Medicine

HPV and Oral Cancer 3rd Edition

Spencer Redding, DDS Med – UT Health San Antonio School of Dentistry

Management of the Oral Complications Associated with Cancer Therapy 4th Edition

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Techniques for Early Cancer Detection 2nd Edition

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Managing Dental Patients with Xerostomia and Hyposalivation

Craig S. Miller, DMD MS - College of Dentistry University of Kentucky

Oral and Maxillofacial Surgery

Alveolar Ridge Preservation Following Tooth Extraction 4th Edition

Lea El Hachem, DDS MS – UT Health San Antonio School of Dentistry

Oral Radiology, Imaging and Photography

Clinical Considerations for Cone Beam Imaging in Dentistry 3rd Edition

William Scarfe, BDS FRACDS MS FACD DIPL ABOMR – University of Louisville

Digital Radiography 7th Edition

André Mol, DDS MS PhD Dipl ABOMR – University of North Carolina - Chapel Hill

Intraoral Bitewing Radiographic Technique 8th Edition

Sally M. Mauriello, RDH BS EdD and Dan Shugars, DDS PhD MPH –
University of North Carolina - Chapel Hill

Radiographic Quality Assurance for Film Imaging Systems 8th Edition

Sally M. Mauriello, RDH BS EdD and Dan Shugars, DDS PhD MPH –
University of North Carolina - Chapel Hill

Orthodontics

Aligner-Based and “Mail-in” Orthodontic Therapy 1st Edition

Maria Karakousoglou, BDS MD – UTHHealth – San Antonio

Pediatric Dentistry

Clinical Decision-Making for Caries Management in Children 7th Edition

Norman Tinanoff, DDS – University of Maryland

Early Childhood Oral Health in the General Dentistry Office 3rd Edition

Rocio Quinonez, DMD MS MPH and Gentry Byrd, DDS - University of North Carolina at Chapel Hill

Making Pediatric Dentistry Part of General Practice 7th Edition

Norman Tinanoff, DDS – University of Maryland

Oral Health Care for the Adolescent Patient

Glenn Canares, DDS MSD – University of Maryland School of Dentistry

Periodontics

Risk Assessment and Classification for Periodontal Diseases in General Dental Practice

Lea Hachem, DDS MS FICD – UT Health San Antonio school of Dentistry

Non-Surgical Periodontal Treatment 6th Edition

Thomas Oates, DMD PhD – UT Health San Antonio School of Dentistry

Pre-Prosthetic Periodontal Surgery

Maria L. Geisinger, DDS MS - University of Alabama at Birmingham

Pharmacology and Therapeutics

Antibiotic Use in Dentistry 4th Edition

Arthur H. Jeske, DMD PhD – University of Texas Houston

Contemporary Approaches to Antibiotic Prophylaxis in Dental Practice 3rd Edition

Thomas P. Sollecito, DMD FDS RCSEd and Eric T. Stoopler, DMD FDSRCS FDSRCPS
University of Pennsylvania

Practice Management and Risk Management

Avoiding Errors in Dental Practice

Muhammad Walji, PhD – UT Health Houston and Elsbeth Kalendarian, DDS MPH PhD – University of California at San Francisco School of Dentistry and Harvard School of Dental Medicine

Caring for LGBTQ+ Individuals in Dental Practice

Herminio L. Perez, DMD MBA EdD - Rutgers School of Dental Medicine; Harold Jennings, RDH MA - Plaza College Queens NY; Rosa Chaviano Moran, DMD FICD – Rutgers School of Dental Medicine

Dental Record Keeping 5th Edition

Michael A. Huber, DDS and Gary Guest, DDS - UT Health San Antonio School of Dentistry

Diversity, Equity and Inclusion (DEI) - A Primer for the Dental Office

Kenneth Sadler, DDS MPA MAGD FACD FICD, Brenda Latham-Sadler, MD and Raleigh Sadler, BA – Practicing dentist and Wake Forest University School of Medicine

Ergonomics in the Dental Office

Kimatha Oxford Grice, OTD OTR CHT – UT Health San Antonio School of Dentistry

Guidelines for Consultation With and/or Referral to a Physician 2nd Edition

Rajesh V. Lalla, DDS PhD – University of Connecticut

HIPAA and the Dental Practice

Rachel Kearney, BSDH MS - The Ohio State University College of Dentistry

Informed Consent in the Dental Setting 1st Edition

Steven E. Haas, DMD JD MBA – University of Nebraska

Management of Malpractice Risk in Dental Practice 3rd Edition

Mert N. Aksu, DDS JD MHSA Cert DPH – University of Detroit Mercy School of Dentistry

Medical Health History in Dental Practice 7th Edition

Bernadette Alvear Fa, DDS – University of the Pacific

Value Considerations in Oral Health Care 2nd Edition

James J. Crall, DDS MS ScD – UCLA School of Dentistry

Restorative Dentistry

Managing the Patient with a Worn Dentition 4th Edition

N. Blaine Cook, DDS MSD – University of Indiana

Paul Hansen, DDS – University of Nebraska

The Posterior Composites 7th Edition

André V. Ritter, DDS MS – New York University College of Dentistry

Special Care Dentistry

Dental Care for Patients with Bleeding Disorders 4th Edition

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Dental Considerations for Patients with a Prosthetic Joint Replacement 1st Edition

J. Bruce Bavitz, DMD – University of Nebraska Medical Center, College of Dentistry

Dental Care for Pregnant and Nursing Patients 4th Edition

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Dental Management of the Patient with Systemic Sclerosis 3rd Edition

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Discussing Bruxism and its Treatment with the Dental Patient 2nd Edition

Rachel Kearney, BSDH MS - The Ohio State University College of Dentistry

Introduction to Patients with Special Healthcare Needs 2nd Edition

Allen Wong, DDS EDD and Debra Woo, DDS MA - Arthur A. Dugoni School of Dentistry

Management of Patients with Cardiovascular Conditions Encountered in Dental Practice 5th Edition

Frank C. Nichols, DDS PhD – University of Connecticut

Management of Patients with Some Common Medical Conditions Encountered in Dental Practice 5th Edition

Frank C. Nichols, DDS PhD – University of Connecticut

Management of the Oral Complications Associated with Cancer Therapy

Michael A. Huber, DDS – UT Health San Antonio School of Dentistry

Management of the Patient with Dentin Hypersensitivity 2nd Edition

Amal Noureldin, BDS MS MSD PhD - Texas A&M College of Dentistry

Management of the Substance Use Disorder Dental Patient 3rd Edition

MyHanh Phan-Rinne DDS and Timothy M. Durham DDS MPA

University of Nebraska Medical Center College of Dentistry

Oral Complications of Cannabis Use

Ira B. Lamster, DDS MMSc – Stony Brook University School of Dental Medicine

The Dental Patient with Dementia Part 1

June Sadowsky, DDS MPH and Ben Warner, MS DDS MD – UT Health Houston School of Dentistry

The Dental Patient with Dementia Part 2

June Sadowsky, DDS MPH and Ben Warner, MS DDS MD – UT Health Houston School of Dentistry

Women's Health: Issues for Consideration in Dental Practice 3rd Edition

Marsha A. Pyle, DDS MEd and Cynthia Gadbury-Amyot, MSDH EdD – University of Missouri-Kansas City

Managing Dental Patients with Xerostomia and Hyposalivation

Craig S. Miller, DMD MS - College of Dentistry University of Kentucky

TMJ/TMD and MPD

Assessing Orofacial Pain 6th Edition

Maureen Lang, DDS – Private practice, San Antonio, Texas

Evaluation and Treatment of TMD Patients 6th Edition

Maureen Lang, DDS – Private practice, San Antonio, Texas

Intraoral Appliance Therapy in the Management of TMD 1st Edition

Gary Klasser, DMD Cert. Orofacial Pain – Louisiana State University School of Dentistry

Temporomandibular Disorders: Etiology and Management Considerations 4th Edition

Gary Klasser, DMD Cert. Orofacial Pain – Louisiana State University School of Dentistry
